The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Babylon LIRR Platform Replacement project in fiscal year 2025.

The entity to receive funding for this project is the Metropolitan Transportation Authority (MTA) located at 2 Broadway, New York, NY 10004. The funding would be used to make improvements and replacements to several station components to the Babylon LIRR station. The project is an appropriate use of taxpayer funds because it will have a significant positive impact on the Town of Babylon and its residents.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrew R. Garbarino
Member of Congress
