Dear Chairwoman DeLauro & Ranking Member Granger,

I am requesting funding for the Bulkhead System at John J. Burns Park project through the U.S. Army Corps of Engineers-Operation and Maintenance projects in fiscal year 2022.

The entity to receive funding for this project is the Town of Oyster Bay located at 54 Audrey Avenue, Oyster Bay, NY 11771.

The purpose of the funding request is to replace and reconstruct the bulkhead, tieback, capping and railing system, along with associated site restoration. It is also important to note that the final elevation of the bulkhead shall consider future climate change impacts along the coastline.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Andrew R. Garbarino
Member of Congress
