Dear Chair DeLauro & Ranking Member Granger:

I am requesting funding for the Oakdale Sewer Expansion Project through the Environmental Protection Agency’s State & Tribal Assistance Grant program in fiscal year 2023. The entity to receive funding for this project is Suffolk County, located at 100 Veterans Memorial Highway, Hauppauge, NY 11788.

The funding would be used for Phase 1a of the Oakdale Sewer Extension Project which will address nitrogen pollution from failed septic systems that have degraded water quality in local bays and have led to catastrophic septic failures for homeowners during and after storm events in the hamlet of Oakdale.

I certify that neither I nor any member of my immediate family has any financial interest in this project.

Sincerely,

Andrew R. Garbarino
Member of Congress
