Dear Chair DeLauro & Ranking Member Granger:

I am requesting funding for the Town of Hempstead to update the Levittown Center Lane greenery and the Thurmon Munson Park handicap swing in fiscal year 2023. The entity to receive funding for this project is the Town of Hempstead, New York, located at One Washington Street, Hempstead, NY 11550.

The Town of Hempstead is proposing a grassy green property abutting Center Lane in Levittown, NY. The green acts as a gateway to the community, and the improvements to the green will enhance pedestrian safety and make the park ADA compliant. In total, improvements would include new sidewalks, ADA upgrades, an ornamental fence, new decorative lights, trees, benches, decorative planters, and trash receptacles, along with a new handicap swing.

I certify that neither I nor any member of my immediate family has any financial interest in this project.

Sincerely,

Andrew R. Garbarino
Member of Congress
