Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Amityville's flood remediation project in fiscal year 2024. The entity to receive funding for this project is the Village of Amityville, located at 21 Ireland Place, Amityville, NY, 11701-2943. The funding would be used for raising road elevations on a minimum of three waterfront locations in the village; proposed locations include Shore Rd./Berger Ave., as well as the south end of South Bayview Ave. The project is an appropriate use of taxpayer funds because the \$10 million in funds the village is seeking would allow them to make significant drainage improvements in a community largely susceptible to flooding and will allow the village to hold their pledge to keep tax increases under the tax cap.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

ANDREW R. GARBARINO
Member of Congress
